

Product Discontinuation

October 31, 2019

NATIONAL

Please be informed that the following products have been discontinued and are no longer available for order from Teva Canada. Inventory may still be available within the pharmacy supply chain, including distributors.

Note to all Payers: kindly retain these DINs on your formulary for reimbursement for a period of six (6) months following the date of this notice to allow for any remaining product to be dispensed to patients.
