VOLUNTARY DRUG RECALL

Distributed by:

Teva Canada Limited, Toronto, Canada

August 21, 2020

Dear Pharmacists(s):

Teva Canada Limited is voluntarily recalling **TEVA-CEPHALEXIN SUSPENSION** with the lot numbers found on page two of this document,

The voluntary recall is occurring because the product lots may not meet specification for assay.

Teva Canada is proceeding with a **Type II** recall of the lot numbers found on page two and page three to the **Retail Level** with the knowledge of Health Canada.

Please examine your inventory and determine if you have any remaining stock with the lot number noted above. If you have distributed product to another retailer, please notify them to cease distribution and to return the product.

If you ordered product direct from Teva Canada, you will be provided a recall package that includes a returns form. **Please return all products to your point of purchase.** Your account will receive a credit for all returns. If you have any specific questions regarding the recall process, please contact Teva Canada Customer Care at 1-800-268-4129.

Teva Canada would like to thank you for your understanding and continued support.
